TOWN WARRANT

To the inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in the Town affairs:

You are hereby notified to meet at the Community House in said Pembroke, on Tuesday, the twelfth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear and act upon the report of the Town Ways and Means committee.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes; and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.

5. To see if the Town will authorize the Trustees of Trust Funds to sell any available lots in the Town cemeteries; to see if the Town will authorize the said Trustees to give a deed in the name of the Town to the purchasers of such lots. All sums received from the sale of such lots shall be used for the general care and maintenance of Town cemeteries.

6. To see if the Town will accept a deed from the Trustees of the Suncook Baptist Society of the tract of land at the corner of Main and Broadway in said Pembroke, said tract to be used for library purposes, and when no longer so used the said tract shall revert to the said Trus-

tees of the Suncook Baptist Society or their successors in interest.

7. To see if the Town will authorize the Selectmen to purchase of Clarence E. Loso and Jessica Loso, for highway purposes, a strip of land fifty feet in width extending from the northerly end of High Street to land of Alice Holt and also a strip of land running westerly from Broadway to where it will intersect the proposed High Street Extension, said strip of land to be fifty feet in width, the exact location of the same to be agreed upon between the Selectmen and the said Clarence E. Loso and Jessica Loso; to see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars (\$600) to pay for the said land.

8. To see if the Town will authorize the Selectmen to make a survey of the proposed streets and will vote to accept and maintain the proposed streets referred to in article 7.

9. To see if the Town will vote to purchase a new $2\frac{1}{2}$ to 3 ton truck with dump body, snow plow and wing suitable for snow plowing and other Town purposes; to see if the Town in order to purchase the same will authorize the Selectmen to borrow a sum not to exceed Four Thousand Dollars (\$4000) in four serial notes: said notes to be in the sum of One Thousand Dollars (\$1000) each and payable in one, two, three and four years respectively from the dates of issuance; said notes to be paid exclusively from funds to be raised by taxation.

10. To see if the Town will vote to raise and appropriate the sum of Twenty-six Hundred and Five Dollars (\$2605) as its share in the cost of the completion of the Sheep Davis Road, so called; to see if the Town will authorize the Selectmen to borrow on three serial notes a sum not to exceed Twenty-six Hundred and Five Dollars (\$2605), the first note to be in the sum of One Thousand and Five Dollars (\$1005); the second note to be in the sum of One Thousand Dollars (\$1000); the third note to be in

the sum of Six Hundred Dollars (\$600); said notes to be payable in one, two and three years respectively from the date of issuance, said notes to be paid exclusively from funds to be raised by taxation.

11. (By Petition) To see if the Town will vote "to raise and appropriate the sum of Two Hundred Dollars (\$200) for a series of band concerts.

12. (By Petition) To see if the Town will vote "to have six street lights installed on Dearborn Road from Adams' to Rowe's."

13. (By Petition) To see if the Town will vote "to oil the Borough Road before any more money is appropriated for new roads or sidewalks in the town of Suncook."

14. (By Petition) To see if the Town will vote "to install and maintain a street light on the southern side of the bridge on Bridge Street extension."

15. (By Petition) To see if the Town will vote "to authorize the Selectmen to number the houses on all streets and raise the necessary money for such purpose."

16. (By Petition) To see if the Town will vote "to raise and appropriate a sum to buy some land to finish Lindy Street to Broadway or Prospect Street to Lindy Street, including a street light."

17. (By Petition) To see if the Town will vote "to install a street light in front of Harvey B. Fowler's place on Buck Street."

18. (By Petition) To see if the Town will vote "to raise and appropriate a sum of Fifteen Hundred Dollars (\$1500) for a twelve (12) inch sewer on Glass Street to run from Kimball Street to Turnpike Street, on the river side of the road."

19. (By Petition) To see if the Town will vote "to raise and appropriate the sum of Three Thousand Dollars (\$3000) for the oiling of at least two miles or more of the North Pembroke road starting at Clarence Chase's and continuing toward the North Pembroke School house as far as

the appropriation will allow."

20. To see if the Town will vote to confirm the action of its Trustees of Trust Funds in accepting the following named funds, in trust, the income to be used for the perpetual care of the cemetery lots indicated:

a. Gift of Annie M. Edgerly of One Hundred Dollars (\$100) the income to be used for the care of the Calvin Edgerly lot in the Evergreen Cemetery.

b. Gift of James E. Adams of Three Hundred Dollars (\$300), the income to be used for the care of the Adams lot in the Pembroke Street Cemetery.

c. Gift of Thomas J. Fellows and of estate of Lucinda R. Horney of Three Hundred Dollars (\$300), the income to be used for the care of the Walter Hayward lot in Pembroke Street Cemetery.

21. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

22. To transact any other business that may legally come before said meeting.

The polls will be open until six o'clock in the afternoon.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and forty-six.

REPORT OF PEMBROKE FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of
Pembroke

Appropriation and Expenditures for 1945:

Appropriation	\$ 4,400.00
Expenditures	3,958.85

Under appropriation	\$ 441.15
---------------------------	-----------

The Fire Department responded to forty-eight (48) alarms and operated at forty-seven (47) during the year.

At Fire Headquarters the equipment is considered to be in first-class condition. The hose on the two reels, one on Buck Street and the other on Pembroke Street, is in very poor condition and needs replacing.

We have purchased from the Office of Civilian Defense the trailer fire pump loaned to us during the war. This is a very respectable piece of equipment for an emergency.

The efforts the citizens of this town have made to reduce the fire hazard are greatly appreciated.

Expenses of the Department

Pembroke Water Works	\$ 1,668.00

PETER LeCLAIR

We have been extremely fortunate during the past few years. Favorable fire weather and war time restrictions on travel which kept people off the highways and out of the woods have aided materially in reducing fire risks, keeping fires fewer and fire losses low.

We now face changed conditions. People can travel freely. Their love for travel and the freedom of the woods will bring them out in ever increasing numbers. This will step up fire risks materially. The accelerated cutting of the war years has resulted in additional thousands of slash acres. These factors, combined with a possible dry season and human carelessness could easily produce a catastrophe. Everyone must, consequently, be on their guard. They should

1. Be careful with fire or when smoking in or near woodlands.
2. Cooperate with the local forest fire warden and his deputies by
 - a. Abiding cheerfully with whatever restrictions it may be necessary to impose. They are intended only to be helpful.
 - b. Securing permits to burn debris when the ground is not covered with snow.
 - c. Seeing that others comply with requirements.
 - d. Promptly coming to the warden's assistance when needed.

If these few fundamental practices are followed it will be possible to PREVENT a large proportion of FOREST FIRES from starting — that PAYS!

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

This my twelfth annual report is written not only as we enter upon a new year, but also as we enter a new era in the history of our country. After four years of world conflict we have emerged the most powerful nation of all time in the art of destruction. To win a peace that shall be just and permanent challenges not one generation but a score of generations to come. The hope of mutual understanding and cooperation among peoples at home and abroad springs from faith in the adaptability and resourcefulness of youth. There arises here a profound obligation upon every home and school. There is reason to believe that your teachers and school officials are alert to this responsibility.

My report deals chiefly with personnel, pupil enrollment and school census, medical inspection and health services, achievement scores, special activities, buildings and equipment, and the annual budget.

Three new teachers have been selected to fill vacancies, and are now replacing three full-time and one part-time teacher. These new members of the staff include Mr. William Oscar Frazer of Warner, who replaces as principal Mrs. Jennie Leone; Miss Irene Cusano of Concord, who replaces in Grades Seven and Eight Mrs. Edna C. McNamara; and Mrs. Mary M. Mulligan of Concord, who this month replaced Miss Helen L. McCarthy in Grades Five and Six. Miss McCarthy resigned at mid-year to accept a teaching position in Andover, Massachusetts.

Mr. Frazer has his Bachelor of Education degree from Keene Teachers College. He taught for twelve years in two elementary schools, and recently served three years as

principal of the Warner junior high school. Mr. Frazer is married and has two children.

In addition to his classroom instruction and duties as principal of the building, Mr. Frazer teaches the shop classes in Manual Training, thus releasing Mr. John L. Neill who was formerly part time instructor in woodworking.

Miss Irene Cusano graduated in 1942 from the four-year elementary course at Keene and has taught for three years in the schools of Canterbury and Troy. Besides her classroom courses Miss Cusano directs the physical education for grammar school girls.

Mrs. Mary M. Mulligan is a graduate of Plymouth and has taught for a number of years in the intermediate grades in Exeter, N. H., and more recently in Andover, Massachusetts.

By the sudden death last July of Mr. Joseph L. Monty, janitor of the Suncook building and custodian of repairs in all of the one-room schools, Pembroke lost not only a very efficient janitor and attendance officer, but a man of firm and kindly personality that was admired and respected by both teachers and pupils.

Later in the summer Mr. Ovide J. Joyal was appointed janitor of the Suncook School and Community House. He is also school attendance officer in the Pembroke district.

Since last year the pupil enrollment has decreased nearly 8 per cent. This is chiefly due to changes in the Borough and Pembroke Hill schools which now enroll only thirteen and ten pupils respectively. Several children in both of these schools are being transported by the district.

The following is the number of children between the ages of five and sixteen years as reported by the enumeration officer last September.

No. Boys (5-16 years old)	202
No. Girls (5-16 years old)	181

Total (5-16)	383
--------------------	-----

Among these the following were not in school:

No. under required school age (5-8)	0
No. Physical disability (8-14)	1
No. having completed elementary grades (14-16)	0

Total not in schools	1
----------------------------	---

No. in Pembroke public schools	154
No. in Pembroke Academy	163

Total enrollment in local schools	317
No. over 16 years in above total	84

No. (5-16) in local schools	233
No. (5-16) in elementary schools outside	187
No. (5-16) in high school outside	1

Total (5-16) accounted for in schools	421
No. (5-16) in above total who live in other towns	39

Whole No. of RESIDENT children (5-16) accounted for 382

The medical inspection of school children for the year ending last June was made by the school nurse, Miss Adonia A. Douillette. Her report follows:

No. pupils examined	158
No. pupils successfully vaccinated	152
No. pupils unsuccessfully vaccinated three times	6
No. pupils inoculated for Diphtheria	6

Record of annual examination and follow-up work:

	No. defects found	Reported to Parents	Defects Corrected

Report of Special Work

- 1 case treated by Dr. Jones at Orthopedic Clinic in Manchester.
- 4 cases received eye treatment by Drs. Provost and Monette in Manchester.
- 5 cases given Dental treatment by Dr. Paradis in Pembroke.
- 6 cases given Toxoid treatment by Dr. Freeman in Pembroke.
- 113 cases received Audiometer Test given by the School Nurse in Pembroke.

Five child guidance and mental hygiene clinics in New Hampshire are now rendering valuable service to a large group of school children who because of shyness, fear, worries, or feelings of inadequacy are seriously handicapped. The mentally ill child may be the child who is misunderstood and is unhappy. At the mental hygiene clinic he is studied by a psychiatrist, a psychologist, and a pediatrician to discover what may have caused this emotional upset. The child is also examined to discover if there is difficulty in learning, and likewise to find out what capabilities he may have and what are his talents and aptitudes.

The child's emotional disturbance may seem unimportant at first, but these can develop into real obstacles in the child's life, and handicap him in his school, his play and in his associations with others.

The staff of the mental hygiene clinic are trained to diagnose the individual cases, to give advice that may decrease nervousness, or possibly cure it. Thus the child is enabled to realize a normal and happy life.

Reports from our State Board of Health show that in the last two years, 3,000 individuals have visited these mental hygiene clinics, and of this number 80 per cent were children of school age.

A comparison of the results of standardized achievement tests of the last two years is significant of the improvement that may be expected in a school system where teachers of training and experience are retained in service in your primary grades. Frequent changes, no matter how efficient the several teachers may be, tend to destroy the attainment of standard achievement. Following are the total averages by grades for the last two years in the schools of Pembroke.

Grade:	III	IV	V
Standard Scores Anticipated:	3-3	4-3	5-3
Pembroke's averages in 1944:	3-3	4-2	5-3
Pembroke's averages in 1945:	3-7	4-5	5-5

The achievement scores for individual pupils in specific subjects are kept in the Superintendent's office and are available to parents. If parents cannot visit the office, a transcript of the child's record will, on request, be mailed to the parents.

Two activities of definite value to health and recreation warrant commendation and continuation. These include the opening of the playgrounds and building of the Suncook School under the direction of a trained supervisor for seven weeks of the summer vacation, and the reopening of noon lunch service during the winter months in the same school.

Two hundred sixteen children were registered with Mr. Frazer for summer playground activities. The average daily attendance was more than twenty-three children. Five mornings a week Mr. Frazer met with a group of elementary school children. The first hour of the morning was spent out-of-door, swinging, see-sawing, playing dodge ball, croquet, and numerous circle and relay games. As soon as it became uncomfortably warm on the playground the entire group spent an hour in the building. This time was devoted to group singing, music appreciation, and to the most popular feature of the day — the story hour. The

story hour was not only entertaining but educational to the end that it enriched the child's acquaintance with primary literature and contributed to his readiness in reading.

The Superintendent earnestly hopes that this type of activity may be continued next summer. It may readily be organized to include older as well as younger groups of children.

The hot lunch service was reopened in January in the Suncook School. Mrs. Catherine E. Chute has complete charge — planning the meals, and purchasing and serving food to an average of sixty individuals daily. A total of 1260 individual lunches were served during the last month. A typical menu includes—

Meat Loaf and Mashed Potato
Bread, Cookies, and Milk or
Fruit Juice

At an average of fifteen cents a day a satisfying and nutritious meal is made available. This does not exceed in cost a nutritious but cold *lunch-box* meal.

All receipts from the sale of lunches is invested in food and lunchroom materials. The lunchroom worker is paid from funds appropriated by the school district.

Your Suncook school is one of six of the larger schools in this Union that maintain complete lunch service for bus pupils and others who remain during the noon hour.

At the Deerfield Fair all grades of the Suncook School entered exhibits. First and second prizes were taken in woodworking. Second and third awards were also made to all of the lower grades for exhibits in art work. The payment of money prizes for First and Second awards has stimulated much interest among pupils and teachers.

In conjunction with the Christmas program, tea was served to the parents and guests by the home economics classes under the direction of their instructor, Mrs. Grace

G. Farnum. At the same time the classes in manual training exhibited a large assortment of woodworking projects. Several of these found a ready sale.

At the annual district meeting in March, 1945, a committee of five citizens was chosen to confer with the school board relative to tentative location and plans for a modern school building, located on or near Pembroke Street. Appointed to serve on this committee were Mr. George P. Cofran, Mrs. Osborn A. Simmons, Mr. Hascall T. Stimson, Mr. Laurence F. Whittemore, and Mrs. Ruth C. Woodbury.

Although the sources and supply of building materials and the cost of labor prohibit at the present time the economical construction of new school buildings, the appointment of such a committee may be well timed and indicative of genuine New England enterprise. It has been the policy of federal agencies to grant first aid for public buildings to those local government units that have manifested some initiative.

The lack of available labor has delayed the customary schedule of repairs. However, a new ceiling has been placed in the schoolroom at the Borough and the interior of the building repainted. Since the Christmas recess a large jacketed heater has been installed in the Pembroke Street School. This replaces two heating units previously needed to warm this building.

At Suncook Grammar School the janitor has refinished in cement the rollway leading from the boiler room.

Following a recent visit to the Suncook building by a state inspector, we have been advised to change the location of storage space for floor oils and liquid disinfectants. Under the two stairways which lead to the only exits, are located storage closets, in one of which the oils are kept. The only other storage closet is situated at the base of the hot-air duct, leading to all floors. This would be equally hazardous for oil storage. It is suggested that a small

basement storeroom may be obtained by erecting a partition with door between the boiler and tool rooms.

The expenditure of school money for necessary repairs and the cost of fuel and janitor service to maintain the Suncook Community House is out of all proportion to the small educational benefits derived. A modest estimate of needed repairs places the cost at four thousand dollars. If this building is to remain the property of the school district, a special sum of money should be raised and appropriated for this purpose, otherwise, authority should be granted to the School Board to dispose of the building.

The proposed budget for 1946-1947 exceeds the present appropriation by more than \$1000. This increased demand is more than covered by two items: (1) the increasing cost of elementary schools; and (2) the mounting cost of high school instruction throughout the state, which govern the legal rate of tuition.

This year the salary paid to women teachers in some of the one-room rural schools in New Hampshire amounts to \$1600, while men teachers in small elementary schools are receiving \$2000.

The "Teacher Retirement Law" of 1945, Section 8: Chapter 136, provides that the school district share with the individual teacher by contributing annually to the State a specified per cent of his salary to be applied to the individual's retirement fund.

It follows that the increasing scarcity of competent teachers and the mounting cost of education are matters of most serious consideration in all parts of our country, particularly in those communities where the consolidation of schools has not been effected.

President Truman in his message to Congress, last month, emphasized the urgent need for federal aid, in addition to present local appropriations, to insure the maintenance of adequate educational facilities, including school

buildings, in the various states. Legislation for this purpose is now pending in Washington.

The President wisely advocates the allotment of such aid without federal interference with local school control.

The element of local initiative has been fundamental in our social and industrial development, particularly in New England. The essence of local initiative has its source in a well informed and actively participating citizenship. The training of our youth with this end in view is of increasing significance to the welfare of the individual and community. In it lies the answer to a new era.

Respectfully submitted,

GEORGE H. HARMON
Superintendent of Schools

GEORGE CHICKERING

ARTHUR M. CHICKERING

School Board of Pembroke

Pembroke, N. H., December 27 1945

REPORT OF HEADMASTER OF PEMBROKE ACADEMY FOR THE YEAR 1945

Teaching Staff and Enrollment

School opened Wednesday, September 5, 1945 with a student enrollment of 160 pupils, seven regular and two part-time teachers. Twelve new pupils have entered the Academy since September 5. The seriousness of the teacher situation has been emphasized by the following facts: (1) Although the Trustees voted to hire eight teachers instead of seven, we could not find a Shop teacher until the first of November, (2) in the first two months we had three different mathematics teachers, and (3) even at this writing February 15, we are looking for a Home Economics teacher, and are having requests from teachers to leave as soon as their husbands and fiances return from service.

The present staff is as follows:

Mr. Jarvis T. Beal, Headmaster, Administration, Science.

Mr. Vernon Lewis, Submaster, Social Science, Athletics.

Mr. Lloyd Creighton, Mathematics, Athletics.

Mr. Claude Lacouture, Industrial Arts.

Miss Frances McCushing, English and Latin.

Miss Sally Colletto, English and French.

Mrs. Frances Waldo, Commerce.

Miss Lorna Ann Jillson, Substituting in Home Economics.

Mr. Lacouture, a graduate of Fitchburg Teachers College took over the Shop Work after the resignation of Mr. Cecil Grimes who helped out so faithfully during the past two war years. We have had several substitute teachers in Home Economics carrying on in the absence of Mrs. Ruth Hayden who has had to leave on account of ill health. Her service has been faithful and unselfish in the interests of the Academy and in its allegiance and devotion to her

son Willard, a senior here, who was killed in action at Iwo Jima March 7, 1945. Despite the rigors of a harsh winter and the difficulties of transportation, Mrs. Elizabeth Morrill has continued to serve as special teacher in Prize Speaking and has helped with the dramatic programs. Mrs. Mabel Reed is completing her second year as Music Supervisor.

Because of extra work as substitute teacher, your Headmaster has not had sufficient time to study individual's problems nor to continue the testing program in the detail that is really necessary for the maintenance of a continued high standard of accomplishment and follow-up work. Teacher loads have been heavy in some cases, and there have been more changes than usual as well as much sickness. Despite these drawbacks, the staff, as a whole, is working smoothly and efficiently.

Extra Curricula Activities

Basketball: Although our 1945 basketball teams won no league title or similar goal, they were given a banquet and a night of bowling, and the baseball team was provided with a trip to Boston to a Red Sox-Detroit major league game. This gesture on the part of citizens of Pembroke

and surrounding towns was much appreciated as an evidence of their loyal support of the school and its efforts. At this time, I would like to express my thanks and that of the players and coaches to Mr. C. H. Wells and to Mr. Hascall Stimson for their enthusiasm and untiring efforts on behalf of our athletic teams.

Much of the success of our 1946 boys team has been due to the earnest efforts of Mr. Lewis and Mr. Creighton. This year's team has won 15 games and lost three to date. This fine record has won for them a tie for third place among the Class B teams of the state as well as an invitation to the state tournament at Durham. The boys have won first place in the Central New Hampshire Interscholastic basketball league. A list of the varsity boys includes Captain Sherburne Chickering, Roger Beal, Earl Elsmore, Stanley Paskowski, Clayton Higgins, Arnold Lewis, John Carr, Donald Sabean, Donald Wesson, and Arthur Williamson. Since my report has been delayed in reaching the printer, I am able to report that Pembroke won their preliminary game against Milford H. S. at the State Tournament in Durham.

The coaching of the girls' basketball has been taken over at different times by Mr. Beal, Miss Colletto, and Mr. Creighton. The girls have won 10 games and lost 6 — a record which insures second place for them in the league standing. They lost first place to Hillsboro High School who won by five points on their floor and by one point on Pembroke's court. A list of the girls teams includes Captain Frances Chroniak, Odelva Lefebvre, Janet Sanderson, Lorraine Duford, Irene Huggins, Anne Farnum, Shirley Beal, Marilyn Good, Patricia Yeaton, and Virginia Severance.

Social Activities: Early in the fall, a Halloween Ball was held under the auspices of the Home Economics department. Can goods and garden products were solicited on

this occasion for our noon lunch program.

Under Mrs. Morrill's capable direction, the Austin Prize Speaking Contest was held early in December and, strangely enough, the winners represented each of the four classes. Charles Gile, first; Barbara MacLean, second; David Hayden, third; Patricia Yeaton, fourth.

The Senior Class produced its play "Introduc'in' Susan" in November, and a cast of a dozen seniors kept a packed audience in continuous laughter. A considerable sum was realized to help the seniors meet some of the graduation expenses.

The seniors held a Valentine Dance on Friday, February 15. There were many of the younger alumni present, as well as some parents who dared to brave the stormy night. At a class meeting in January, the seniors forwarded Lorraine Duford, Pembroke Academy's best citizen, the result of a contest held by the local D. A. R. chapter.

Music: Mrs. Mabel Reed has supervised the music in the Academy again this year. Periods have been devoted to a Freshman chorus, and all girls chorus, a large mixed group and orchestra. Future plans include the presentation of an operetta "Rose of the Danube", the tentative date is May 17. Special groups have presented musical selections during the Prize Speaking Contest and the senior play. Pembroke Academy is sending four pupils to participate in the State Music Festival in Nashua, New Hampshire. They are: Odelva and Blanche Lefebvre in the chorus and Edwin and Ellen Child in the orchestra.

Miscellaneous: I have had the pleasure of registering two young men, who previously attended the Academy and have been in the Armed Forces, as graduates due to credits earned through the Armed Forces Institute. They are: Henry Lutz and Charles Frizzell. I hope that more boys in the Service will avail themselves of this opportuni-

ty to earn credits for both basic and specialized training through the Armed Forces Institute or the Marine Corps Institute. Richard Bailey, a Senior at P. A., is attending the University.

Conclusion — The safety of pupils as they travel to and from school is a matter of deep concern to me and the teachers at the Academy. The highway is kept well ploughed; the sidewalks are seldom plowed out at all. Pupils walk in the street and, despite our admonitions, travel in groups and often on the wrong side of the street. It will be most unfortunate if there is a serious accident, and yet it is a wonder that there hasn't been before now. The co-operation of parents is earnestly solicited in helping solve this problem.

New Hampshire is one of the few states where a program of physical education in the schools is not required by law. I earnestly hope that the time is not far distant when each school may have a well-planned program for the physical well being of all pupils, not just a few.

I want to thank Supt. Harmon, the Trustees and the teachers for their cooperation and loyal support throughout the year.

Respectfully submitted,

JARVIS F. BEAL,
Headmaster
